Hometown Heroes Banner Program Sponsor Application, General Photo Release & Business Neighbor Information Form

If you have a family member from the Port Washington area who is currently serving on active duty in the United States Armed Services or a veteran who served in the United States Armed Services, and you would like them to be considered for our Hometown Hero Banner Program, please fill out the SPONSOR APPLICATION below. For this program, your Armed Forces member should be, or have been, honorably discharged and a resident of the Port Washington community or have completed high school while residing in Port Washington or have been a member of the Veterans of Foreign Wars Post 1819 or the American Legion Post 509. A copy of the veteran’s DD-214 form to verify prior military service would be helpful to confirm the information on your application.

Once completed, please submit your Sponsor Application Form along with the completed General Release Form and a nonreturnable 8”x10” color or black & white photograph of the member in full uniform, if possible (quality copies are acceptable). The cost for each banner ordered, including installation, is \$250.
