Hometown Heroes Banner Program Business Neighbor Information Form

Dear Business Neighbor,

We are excited to share our plans to install banners on the utility poles along Main Street and the recently renovated Manorhaven Boulevard. The project, called the **Hometown Heroes Banner Program**, will honor our local men and women who have served or are currently serving in the United States Military. To accomplish this, our VFW Post 1819 (a tax-exempt 501©(19) corporation) will be working in conjunction with Town of North Hempstead Councilwoman Mariann Dalimonte, the Village of Manorhaven, American Legion Post 509, the Port Washington Fire Department, the Port Washington Chamber of Commerce, the Business Improvement District, and other civic organizations. All banners will be installed by Home Run Electric of Port Washington. Our goal is to have the banners installed before Memorial Day 2025 and displayed through November 17, 2025.

Each Hometown Heroes banner will be 18”x36” and will feature the name, image, and branch of service of a local service member. We hope to identify as many Hometown Heroes as possible from our community to be recognized on these banners, which will also beautify the main areas of our business districts.

To fund this meaningful project, Veterans of Foreign Wars Post 1819 is reaching out to the business community for support. We hope you will consider becoming a supporter of our banner program by donating to this worthy project. Please consider one of these categories for your donation:

- **Gold:** \$500
- **Silver:** \$300
- **Bronze:** \$100

By becoming a supporter, you will be recognized along with other supporters in a thank-you advertisement in our local newspapers and will receive a certificate of appreciation.

Donations by check are payable to “VFW Post 1819” and can be mailed to:
